Subject: Offer of Internship at Autellia Technology Pvt. Ltd.

Dear Shivranjan

We are pleased to offer you the position of Software Engineer Intern at Autellia Technology Pvt. Ltd. Your joining date will be 22-Jan-2026.

During your internship, you will be guided by our professional team and will gain valuable hands-on experience in automation technologies, software development, and business processes.

This internship will initially be a non-paid internship. However, based on your performance, contribution, learning progress, and overall conduct during the internship period, the company may consider converting this role into a paid internship with a fixed stipend at its discretion.

TERMS AND CONDITIONS

• Confidentiality: Maintain strict confidentiality regarding all company-related information.
• Code of Conduct: Adhere to company policies and act professionally during your tenure.
• Attendance: Regular attendance and punctuality are mandatory.
• Intellectual Property: Any work produced during the internship will remain the property of Autellia Technology Pvt. Ltd.
• Termination: Either party may terminate this internship with a 7-day written notice.
• Non-Disclosure: Do not share internal company data or information externally.
• Professional Conduct: Respectful collaboration and ethical behavior are expected at all times.
• Compliance: Follow all company policies and applicable laws during your internship.
• Stipend Conversion Clause: The decision to offer a fixed stipend after the initial period will be solely based on performance evaluation and business requirements.

Please sign and return a copy of this letter as acceptance of the offer.

Warm regards,

Aastha Pandey
Director
Autellia Technology Pvt. Ltd.
